**Djidi Djidi**  
Aboriginal School

Hello Parents and Caregivers,

Well ... if last night and today are an indication of what's ahead of us ... we are going to have a wild and windy Mookaroo season! We would like to say congratulations to the students who made the Interschool Cross Country team. The team will be travelling to Brunswick next Wednesday 12 June to compete against other local schools. The event commences at 9.30am and we would love to see as many parents at the event as possible to support our Djidi athletes. Teachers are very busy writing reports. If you have not had contact with your child's teacher, then we'd love for you to phone the school and make an appointment to discuss your child's progress. Please keep Monday 1<sup>st</sup> July free from 10.00-11.00am for our NAIDOC assembly. Our Little Yorgas will be hosting the assembly and families are invited to remain behind afterwards to share in a morning tea with staff and students.

We are reminding our families and community members about the brick fundraiser below.

**PERSONALISED BRICK NAMING FUNDRAISER** – As mentioned last term in our newsletters, Djidi Djidi Aboriginal School is running a fundraising event giving our families and community members the chance to have their family's names permanently displayed at Djidi Djidi Aboriginal School. Money raised will go to purchasing resources for our school. Pavers will cost \$30.00 each and will be placed near our Library. If you know of families or community members who may no longer be associated with the school that may like to purchase a paver, please share this information with them. Order forms are being sent home again with students today and extra forms are available from the school office. **We will be accepting orders until Friday 20th September 2019 (End of Term 3). Don't panic if you wish to place an order, as there is plenty of time to do so.**

Mrs Goodlad and Mrs Mumme

## STEP UP TO THE CHALLENGE

Attendance has been great so far at Djidi despite the flu virus going around at the moment. There will be an update in the next newsletter for how weeks 5 & 6 went and who had the opportunity to win a prize for this coming Friday.

At Djidi we are very BIG and proactive with attendance so if we don't hear from parents/carers as to why your children are not at school ... expect the SMS and/or phone call from us. Families can ring the school office before 10am or when you receive the SMS, you can text back the reason why your children are not at school.

Thank you to the families who already respond to us via phone call or SMS, it is very much appreciated.

## WETJ CLASS – BUNNINGS VISIT

A very big THANK YOU to Bec from Bunnings for coming to visit Wetj Class last week. The students were very noisy as they hammered and glued their trays together. The trays will be used for Design and Digital Technologies projects.

## WATTLE CROSS COUNTRY NEWS

24 of our students will be participating in the Wattle Division Cross Country in Brunswick next Wednesday, 12th June. These students will be taking home the permission form to go to the cross country. There are nine schools of similar size to Djidi who compete in this division of cross country. Parents and carers are most welcome to go along and watch.
